

JOSH + PINE PRICING GUIDE

HI, I'M JOSH!

To know me is to know my love for the great outdoors. I'm an avid rock climber, hiker, camper, scenic lookout enthusiast– you name it! After moving to California in 2021, I overhauled my life to truly have opportunity appreciating what I love– the creation all around us.

I thrive in helping my friends have the best camping or hiking experience even if it's their first time. I am currently pursuing my Wilderness First Responder (WFR) Certification to better serve those around me.

This is my fifth year as a wedding photographer and I am confident that I will bring to you far more than just great photos. Yes, I love nature, but I truly believe there is no greater beauty than people and their relationships. I am not and will not be your "fly on the wall" photographer. I want to get to know you, your loved one, friends, and family.

While being Type A, I've also learned that often the best thing to do is breathe, give the environment some space, and wait for real moments to happen. I promise if you're patient, the real moments *will* happen.

I look forward to meeting you, but more than anything, I look forward to our *adventures* together.

Take A Hike,
Josh

JESS SAYS,

"After booking Josh, we continued our communication through social media. I felt like I had known him forever and that I was talking to a friend, not a vendor. Fast forward to the day of our wedding...Josh arrived at the wedding site (my brother's house in the country) before my husband, Dan, and I got there (I'm ALWAYS late). Josh and my brother hit it off, and he immediately began photographing the décor and the wedding venue. When we arrived, the first thing I noticed was his easy-going personality and of course, his stylist outfit! I was not sure if it would be awkward meeting a social media buddy, but when I said I felt like I have known him my whole life, I meant it.

Josh's professionalism was unmatched. He photographed Dan and me getting dressed, and even helped pin on Dan's and my stepson, Aiden's, boutonnières. It was obvious this was not his first nuptial rodeo. He helped me plan my first-look shoot with Aiden, and even though it was in a small bedroom, it was perfect!

I really cannot say enough about how phenomenal Josh's services were, and the fact that he walks with the Lord just makes him that much better!

I could go on and on (and in some respects, I have) about how pleased we were to have had such an extraordinarily talented and authentic photographer capture the raw, heartfelt moments of the most special day of our lives. Josh was a stranger in the beginning but left as an honorary member of our family. His work left me absolutely speechless and filled my heart with overwhelming joy!"

BOOK YOU?

Your shoot and wedding is only booked when the deposit is paid and contract is signed. I do not hold dates, so book with me ASAP.

HOW LONG HAVE YOU
BEEN A PHOTOGRAPHER?

I have been shooting weddings since 2019 and have been a photographer since 2018 after a solo trip to London!

WHERE ARE YOU BASED
OUT OF?

I live in Los Angeles County and I love to travel for shoots! Traveling is one of my biggest joys.

HOW LONG IS YOUR
TURNAROUND FOR PHOTOS?

You will receive your photos in 3-4 weeks. During slower seasons, you may receive them before this period.

WHAT IF YOU CAN'T MAKE IT
TO OUR WEDDING?

I work with many talented photographers. While this has never happened, if I can't make it, I will hire someone to shoot your wedding day. If this is impossible, you will receive a full refund.

HOW DOES
PAYMENT WORK?

A 30% deposit is due at signing and the remaining 70% is due 1 month prior. This is industry standard and secures your date.

SPECIFIC STYLE?

I edit to the style I have curated. If there are pieces of my work you lean towards, let me know and I will steer that way with editing.

BEFORE BOOKING?

Absolutely! It's important we both know we get along. Let's at least video chat before you move forward with booking.

WE'RE NOT MODELS,
IS THAT OKAY?

Of course! I've only photographed models twice. Most of my clients are not models. I will do what I can to make you feel comfortable.
